

The Numbers  
Percentage Growth 29/02/2000 to 26/02/2010

NB. The numbers in brackets in the chart above represent the risk tolerance range of each case study, e.g. case study 5 has a range of 70/100 based on a risk tolerance score of 1-100 and therefore would have significant long term growth expectations.

INDIVIDUAL INVESTMENT MANAGEMENT  
& PRIVATE BANKING SERVICES

### The Small Print.

This document is issued by S C Davies & Company Ltd (SCD&Co) which is authorised and regulated by the Financial Services Authority (FSA No. 431206). Investors and their advisers should be aware that the value of investments and the income from them may fall as well as rise and an investor may not get back the amount originally invested. Past investment performance is definitely not an indication of future performance. Depending upon the investor's currency of reference (viz. the currency in which they are used to working), currency fluctuations may adversely affect the value of investments and the income from them. Any forecasts or opinions are SCD&Co's own at the date of this document and may change. Those forecasts should not be regarded as a guarantee of future performance and readers are expected to take appropriate and reasonable advice before taking any investment action. All asset price data is normally sourced from Lipper Hindsight, unless otherwise stated. The commentary and statistical data contained in this document have been prepared on a best efforts basis using sources which we believe to be reliable, although we cannot guarantee the accuracy of the information on account of possible errors or omissions in the constituent data. SCD&Co is not authorised to give financial advice on the best way of structuring investments from an income, capital gains or inheritance tax mitigation perspective, nor on the most appropriate trust and other structures to achieve the best outcome, and investors should therefore consult their usual financial adviser, accountant or other appropriate professional before proceeding with an investment.
